

# Beady Belle, April Fool

This is only a paper moon  
This is only a toy story  
This is all just a cheap cartoon  
Yet somehow, somehow I worry

This is only a wind-up car  
Only made for costume ball  
This is only a candy bar  
I guess I&#039;m not drunk after all

It&#039;s only an april fool  
The truth is disguised  
I wish I could stay as cool  
When reality bites

This is only a one night stand  
So tonight I&#039;m your wonderland toy  
Should be easy to understand  
You&#039;re only, only a fantasy boy

This is only a paper moon  
This is only a toy story  
All the magic is over soon  
And I am, I am so sorry

It&#039;s only an april fool  
The truth is disguised  
I wish I could stay as cool  
When reality bites

It&#039;s only an april fool  
The truth is disguised  
I wish I could stay as cool  
When reality bites
