

# Beady Belle, Consolatory Dance

You know that it doesn't matter  
You know that I don't care  
When we're dancing all together  
I don't mind that you're not here

It doesn't matter to me at all  
It doesn't matter to me at all

I thought that if you left me  
I'd be overdone with grief  
But now that you are gone, baby  
It is just a great relief

It doesn't matter to me at all  
It doesn't matter to me at all

Everybody, everybody, everybody, dance dance dance  
Everybody dance all night long
