Little Bitty Pretty One

Little bitty pretty one

☐The cutest one I see

☐I may not be the one for you

☐But you're the one for me

☐Tell you a story

☐Happened long time ago

☐I loved a little bitty pretty one

☐And now I want you to know

☐Little bitty pretty one

☐I look at you with love

☐Lovey dovey lovely one

☐You've been sent from above
