

Beam, When I Say Farewell

When I say farewell
To my life on earth
(I will be)
I will be with Jesus
(No more tears)
No more tears will fill my eyes
Reigning with my savior
Reigning with my savior
Reigning with my savior
When I say farewell
To my life on earth
(I will be)
I will be with Jesus
(No more tears)
No more tears will fill my eyes
Reigning with my savior
Reigning with my savior
Reigning with my savior
