Beanie Sigel F/ Eve, Remember Them Days

Beanie Sigel F/ Eve Miscellaneous Remember Them Days [Beanie] Yeah, uh it's all good now It's all good now We out the hood now We out the hood now We out the hood now It's all good now We out the hood now It's all good now We out the hood now It's all good now, NU

Who thought we'd see the day when we'd put our feet up Lay back, exhale, put the heat up No stress, no scale, no jail could keep us Only case we catching now would be a misdemeanor Remember we used to hustle thinking life would cheat us Not knowing if we struggled life would treat us Think on how mommy carried us Where life gon lead us? Knowing if we getting married Our wife will need us If at one time you could look into my mind When I close my eyes and remember them times No gas, had a hot plate heat our dinners No cash, most nights ate sleep for dinner Welfare and white landlord, that life ain't easy The only ones moving up was George and Weezy All my sugar water babies who live in autos, it's crazy Keep it in the dark, I'mma speak it from the heart

[Eve]

Remember dem days Livin' all days in doubt Remember dem days Thinking there's no way out Remember dem days Not knowing which way to route It's all good now We out the hood now Remember dem days All of us under the covers Remember dem days Heating up the house with the oven Remember dem days Thinking that life ain't love us, come on It's all good now We out the hood now

[Beanie]

Remember kids who run the block You never thought they would get harmed Only time our block got wet was when the sprinklers were on Think about that time dawg that wasn't long Now that we got kids think when we was born Coming up in my hood was hard Every day my mom cooked with lard Fucked up I couldn't feed myself Living life no means of wealth Eating shit I can't believe myself That's not a joke Man I was dealt these cards and I played dem out Yeah the road was rough but I made a route Now picture running extension cords from your neighbor's house To get lights, fuck Max on the latest routes Used to close my eyes try to fade it out Dumb niggas in the hood think I made it out Man that showed me just where they mental at And tell me half of these cats ain't been through jack

[Eve]

Remember dem days Livin' all days in doubt Remember dem days Thinking there's no way out Remember dem days Not knowing which way to route It's all good now We out the hood now Remember dem days All the bluffs under the covers Remember dem days Heating up the house with the oven Remember dem days Thinking that life ain't love us, come on It's all good now We out the hood now

[Beanie]

Yo every day I think Deke and Rola >From introducing me to Dame and Hovah Ever since that day I met Jay Man I knew my pain was over They let me in this game it's over Mom I know I put you through hell But now I'm gonna order you heaven No more temporary layoffs like Florida Evans Ain't no good times about dat there Your boy rhyme now, it's fine now We out dat there Fuck that Access car I'mma work extra hard To turn that into a platinum express car You can have sweet dreams at night Your boy ain't out there with dem toys and them pings at night All dem cracks and the gats left that life alone It's the tracks and the raps and the microphone Wish y'all would fuck that up now Shit it's all good now We out the hood now

[Eve]
