

Bears, Please Don't

I'm not checking out
I'm just trying not to think about
Things that I'm going through
Things that have nothing to do with you

So please don't worry, I'll be fine
Please don't worry 'cause I'm glad that you are here, and you're mine

With some time alone
I'll quit acting like I'm made of stone
And I think you'll see
You'll be happier when you're with me

So please don't worry, I'll be fine
Please don't worry 'cause I'm glad that you are here, and you're mine

I'm not checking out
I'm just trying not to think about
Things that I'm going through
Things that have nothing to do with you
