

# Beat Crusaders, Moon on the Water

Full moon sways  
Gently in the night of one fine day  
On my way  
Looking for a moment with my dear  
Full moon waves  
Slowly on the surface of the lake  
You are there  
Smiling in my arms for all those years  
What a fool!  
I don't know about tomorrow  
What it's like to be  
Ah~  
I was sure  
'Couldn't let myself to go  
Even though I feel  
The end  
Oh my fair...  
Floating like a bird that's in her wings  
You are there  
Smiling in my arms for all those years  
What a fool!  
I don't know about tomorrow  
What it's like to be  
Ah~  
I was sure  
'Couldn't let myself to go  
Even though I feel  
The end  
Full moon sways  
Gently in the night of one fine day  
You are there  
Smiling in my arms for all those years
