

# Beat Happening, Ask Me

Don't know I feel today  
I feel the same as yesterday  
Five hands crawling up my back  
Thump, thump had a heart attack  
And oh, hey, well okay  
Aren't you gonna ask me what I did today?

I'm goin' up and down  
Hit the ground  
Black and white  
Why can't it be right?  
And oh, hey, well okay  
Aren't you gonna ask me what I did today?

Got a pumpkin and a tree  
And ideas all flowery  
You got a joke, a smoke  
And punctuation  
But not enough time for conversation  
And oh, hey, well okay  
Aren't you gonna ask me what I did today?
