

# Beat Happening, Cast A Shadow

The sandman is bringing me a special gift:  
A sleepy dream memory of our first kiss.

Cast a shadow in my direction,  
Cast a shadow in my direction...  
Cast a shadow in my direction,  
Cast a shadow in my direction...

The sandman comes tonight, I have a request:  
A snapshot dreamy keepsake of your embrace.

Cast a shadow in my direction,  
Cast a shadow in my direction...  
Cast a shadow in my direction,  
Cast a shadow in my direction...

Cast a shadow over here, we'll make shadow plays,  
We'll dig shallow graves in my shady shadow cave.  
Your shadow grows longer in my twilight sleep.  
I wallow and remember your lock-me key.

Cast a shadow in my direction,  
Cast a shadow in my direction...  
Cast a shadow in my direction,  
Cast a shadow in my direction...

Bring back shadows of your affection,  
Cast a shadow in my direction.  
Bring back shadows of your protection,  
Cast a shadow in my direction.
