

# Beat Happening, Fortune Cookie Prize

Hey dogwood day  
?? so full of bloom  
Stay a while here with me  
Leaves blow inside my room  
Hey dogwood stay  
Lay down cool in your shade  
Break waves on the sky  
You're my fortune cookie prize  
Dogwood stay  
Don't go away  
Dogwood stay  
Don't go away

Climb high, climb high  
You're my fortune cookie prize  
Climb high, climb high  
You're my fortune cookie prize  
Climb high, climb high  
You're my fortune cookie prize  
Climb high, climb high  
You're my fortune cookie prize

It's just you and me  
Turn around to look and see  
Climbing higher never down  
Our toes never touch the ground  
Way up gold on the timber line  
We'll leave the rest behind  
We'll leave the rest behind  
From out of time  
We'll leave the rest behind  
Another time  
We'll leave the rest behind  
We'll leave the rest behind  
Another time  
We'll leave the rest behind

Climb high, climb high  
You're my fortune cookie prize  
Climb high, climb high  
You're my fortune cookie prize  
Climb high, climb high  
You're my fortune cookie prize  
Climb high, climb high  
You're my fortune cookie prize  
Climb high, climb high
