

# Beat Happening, Fourteen

we were looking at your rabbits  
we were feeding them some cabbage  
you were telling me that you have a black and white cat  
we took a walk, we start to hop, jump rope, play hopscotch

all the things i wanted to say  
staring at your face, then looking away  
all the things i wanted to tell  
but i couldn't trust you, i couldn't trust myself

it's not that you're bad no  
i just can't seem to let myself go

you see to me  
the best part of sex is walking home holding hands after swimming in the lake  
to me  
the best part of love is when you say you'll be my friend  
we were wearing our pajamas we were eating some bananas  
i want to tell you how i want to be your pal

all the things i wanted to say  
staring at your face, then looking away  
now its too late
