

Beatallica, And I'm Evil

My mother wuz a witch, burned alive-ooooh!
And if she ain't my bitch, you'd cry tearz too
I'm evil
Now of revenge I sing, most evilly
The shit on you I'll bring, most metally
And I'm evil
Vengeance like mine could never die
Az long az my metal'z in me

Black is my Misfits shirt, I've 20 Eyez
Sleeveless shirt full of dirt sayz "Darling Die"
And I'm evil
And I'm evil-yes, I am
And I'm evil-I am man
And I'm evil-yes, I fuckin' am!
