

# Beatallica, Got To Got To Get You Trapped Under

You are in Hell, you're in a shell  
Only ice iz what you'll find there  
A frozen core, can't take no more  
You'll freeze right out your fuckin' mind there  
OOOOOH!! Then I suddenly see you  
OOOOOH!! Did I tell you I'll freeze you  
Every single day of your life?  
What can you do, what can you see?  
All they have iz M-TV there  
Can't move at all, can't hear your call  
Bananarama'z all they play there  
OOOOOH!! You were meant to be freezing  
OOOOOH!! Crystallized and you're sneezing  
No one knowz or hearz what you say  
Got to get you trapped under ice!  
You cannot run, you cannot hide  
Cuz the ice securely holdz you  
Wrapped up tight, can't move, break free  
Hand of Doom iz so fuckin' cold, ooooooh!  
OOOOOH!! Then I suddenly see you  
OOOOOH!! Did I tell you I'll freeze you  
Every single day in the ice?  
Got to get you trapped under ice!
