Act Naturally (morrison/russell)

They're gonna put me in the movies

They're gonna make a big star out of me

We'll make a film about a man that's sad and lonely

And all i gotta do is act naturally

Well, i'll bet you i'm gonna be a big star

Might win an oscar you can never tell

The movies gonna make me a big star

'cause i can plat the part so well

Well i hope you come and see me in the movies

Then i know that you will plainly see

The biggest fool that ever hit the big time

And all i gotta do is act naturally

We'll make the scene about a man that's sad and lonely

And beggin down upon his bended knee

I'll play the part but i won't need rehearsal

All i gotta do is act naturally

Well, i'll bet you i'm gonna be a big star

Might win an oscar you can never tell

The movies gonna make me a big star

'cause i can plat the part so well

Well i hope you come and see me in the movies

Then i know that you will plainly see

The biggest fool that ever hit the big time

And all i gotta do is act naturally
