(Ager/Yellen)

Lead Vocal: John Lennon

Oh ain't she sweet?

We'll see her walking down that street

Oh well I ask you very

Ain't she sweet?

Ain't she nice?

We'll look her over once or twice

We'll I ask you very microphonically

Ain't she nice?

Just cast an eye

In her direction

Oh me oh my

Ain't that perfection?

Oh di Yoko

Ain't she nice?

We'll look her over once or twice

We'll I ask you very confidentially

Just cast an eye

In her direction

Oh me oh my

Ain't that perfection?

Ha ha ha

We'll ain't she sweet?

Ain't she sweet?

[I hope you like that trip, boys.]
