Sunrise doesn't last all morning  
A cloudburst doesn't last all day  
Seems my love is up  
And has left you with no warning  
But it's not always going to be this grey  
All things must pass  
All things must pass away  
Sunset doesn't last all evening  
A mind can blow those clouds away  
After all this my love is up  
And must be leaving  
It has not always been this grey  
All things must pass  
All things must pass away  
All things must pass  
None of life's strings can last  
So I must be on my way  
And face another day  
Now the darkness only stays at nighttime  
In the morning it will fade away  
Daylight is good  
At arriving at the right time  
It's not always going to be this grey  
All things must pass  
All things must pass away  
All things must pass  
All things must pass away
