Ask Me Why (lennon/mccartney)

I love you, 'cause you tell me things i want to know.
And it's true that it really only goes to show,
That i know,
That i, i, i, i should never, never, never be blue.

Now you're mine, my happiness still makes me cry.
And in time, you'll understand the reason why,
If i cry,
It's not because i'm sad, but you're the only love that i've ever had.

I can't believe it's happened to me
I can't conceive of any more misery.

Ask me why, i'll say i love you,
And i'm always thinking of you.

I love you, 'cause you tell me things i want to know.
And it's true that it really only goes to show,
That i know,
That i, i, i, i should never, never, never be blue.

Ask me why, i'll say i love you,
And i'm always thinking of you.

I can't believe it's happened to me.
I can't conceive of any more misery.

Ask me why, i'll say i love you,
And i'm always thinking of you.
