

# Beatles, Blue Moon Of Kentucky

(Cool man. What? Can we do 'Blue Moon Of Kentucky?')

What?)

Well blue moon  
(No?

Yeah, it's got the chords that was opening.

Here right!)

Well blue moon

(Just a short version.)

Blue moon, blue moon  
Keep on shining bright  
Blue moon, keep on shining bright  
My baby back tonight  
Blue moon, keep on shining bright

I said blue moon of Kentucky  
Keep on shining  
Shine on the one that's gone and left me blue  
Well blue moon of Kentucky  
Just keep on shining  
Shine on the one that's gone and left me blue

Well, it was on one moonlight night  
With the stars shining bright  
Wish blown high  
Love said goodbye

Blue moon of Kentucky  
Keep on shining  
Shine on the one that's gone and left me blue  
Shine on the one that's gone and left me blue  
Shine on the one that's gone and left me blue

(Ha ha ha!)
