Dear Prudence (lennon/mccartney)

Dear prudence, won't you come out to play

Dear prudence, greet the brand new day

The sun is up, the sky is blue

It's beautiful and so are you

Dear prudence won't you come out and play

Dear prudence open up your eyes

Dear prudence see the sunny skies

The wind is low the birds will sing

That you are part of everything

Dear prudence won't you open up your eyes?

Look around round

Look around round round

Look around

Dear prudence let me see you smile

Dear prudence like a little child

The clouds will be a daisy chain

So let me see you smile again

Dear prudence won't you let me see you smile?
