=====

(John Lennon, Paul McCartney)

Lead Vocal: John Lennon

All I want is...

I dig a pony

Well you can celebrate anything you want

Yes you can celebrate anything you want

Oh now

I blew a road hog

Well you can penetrate any place you go

Yes you can penetrate any place you go

I told you so, all I want is you

Everything has got to be just like you want it to

Because...

I pick a moon dog

Well you can radiate everything you are, yes you can

Yes you can radiate everything you are

Oh now

I roll a stoney

Yes you can imitate everyone you know

Yes you can imitate everyone you know

I told you so, all I want is you

Everything has got to be just like you want it to

Because...

I feel the wind blow

Yes you can indicate everything you see

Oh you can indicate everything you see

Oh now

I buy a trolley

Well you can syndicate any boat you row

Yes you can syndicate any boat you row

I told you so, all I want is you

Everything has got to be just like you want it to

Because...

All I want is you

[Sheelabop!

Ah very...

Shaloom!

You see, you see.

It was good.

We improve each time.

You're not talking to Ricky and the Red Streaks, you know!

Like a fine wine really.

I'd put us down like Beaujolais 62.

I think we should invite them...] (fade out)
