(demo)

I told you about strawberry fields

Well here's a place you noticed is unreal

It's just another place you can go

Where everything glows

Looking through the bent backed tulips

To see how the other half live

Looking through a glass onion

I told you about strawberry fields

Well here's a place you noticed is unreal

It's just another place you can go

Where everything glows

Looking through the bent backed tulips

To see how the other half live

Looking through a glass onion

I told you about strawberry fields

Well here's a place you noticed is unreal

It's just another place you can go

Where everything glows

Looking through the bent backed tulips

To see how the other half live

Looking through a glass onion
