Got To Get You Into My Life (lennon/mccartney)
I was alone, i took a ride,
I didn't know what i would find there
Another road where maybe i could see another kind of mind there

Ooh, then i suddenly see you, Ooh, did i tell you i need you Every single day of my life

You didn't run, you didn't lie You knew i wanted just to hold you And had you gone you knew in time we'd meet again For i had told you

Ooh, you were meant to be near me Ooh, and i want you hear me Say we'll be together every day

Got to get you into my life

What can i do, what can i be, When i'm with you i want to stay there If i'm true i'll never leave And if i do i know the way there

Ooh, then i suddenly see you, Ooh, did i tell you i need you Every single day of my life

Got to get you into my life Got to get you into my life

I was alone, i took a ride, I didn't know what i would find there Another road where maybe i could see another kind of mind there

Then suddenly i see you, Did i tell you i need you...
