(John Lennon, Paul McCartney)

Lead Vocal: Paul McCartney

(take 7)

To lead a better life I need my love to be here...

Here, making each day of the year

Changing my life with the wave of her hand

Nobody can deny that there's something there

There, running my hands through her hair

Both of us thinking how good it can be

Someone is speaking but she doesn't know he's there

I want her everywhere and if she's beside me

I know I need never care

But to love her is to need her everywhere

Knowing my love is to share

Each one believing that love never dies

Watching her eyes and hoping I'm always there

I need her everywhere and if she's beside me

I know I need never care

But to love her is to need her

(take 13)

Everywhere

Knowing my love is to share

Each one believing that love never dies

Watching her eyes and hoping I'm always there

And I will be there and everywhere

Here, there and everywhere
