I Saw Her Standing There (lennon/mccartney)

Well, she was just 17,
You know what i mean,
And the way she looked was way beyond compare.
So how could i dance with another (ooh)
And i saw her standin' there.

Well she looked at me, and i, i could see
That before too long i'd fall in love with her.
She wouldn't dance with another (whooh)
And i saw her standin' there.

Well, my heart went "boom,"
When i crossed that room,
And i held her hand in mine...

Whoah, we danced through the night,
And we held each other tight,
And before too long i fell in love with her.
Now i'll never dance with another (whooh)
Since i saw her standing there
