

# Beatles, It's All Too Much

(Harrison)

[All too much!]

It's all too much  
It's all too much

When I look into your eyes, your love is there for me  
And the more I go inside, the more there is to see

It's all too much for me to take  
The love that's shining all around you  
Everywhere, it's what you make  
For us to take, it's all too much

Floating down the stream of time from life to life with me  
Makes no difference where you are or where you'd like to be

It's all too much for me to take  
The love that's shining all around here  
All the world is birthday cake  
So take a piece but not too much

Sail me on a silver sun, where I know that I'm free  
Show me that I'm everywhere, and get me home for tea

It's all too much for me to see  
The love that's shining all around here  
The more I learn, the less I know  
But what I do is all too much

It's all too much for me to take  
The love that's shining all around you  
Everywhere, it's what you make  
For us to take, it's all too much

It's too much  
Ah, it's too much

With your long blond hair and your eyes of blue  
With your long blond hair and your eyes of blue

You're too much, ah  
We all get too much

Too much, too much, too much  
Too much a, too much a, too much a  
Too much a, too much a, too much a  
Too much a, too much a, too much a  
Too much a, too much a, too much a  
Too much a, too much a, too much a  
Too much a, too much a, too much a  
Too much a, too much a, too much a  
Too much a

Much, much, much, much, much  
Much, much, much, much, much  
Much, much, much, much, much  
Much, much, much, much, much  
Much, much, much, much, much
