Lend me your comb

It's time to go home

I got to go past

My hair is a mess

Your mammie will scold

Your pappie will shout

Unless we come in

The way we went out

Kissing you was fun honey

But thanks for the date

But I must come to run honey

But you know baby it's getting late

Just wait till I say

"My darling

Lend me your comb

We got to go home"

Whoa! Ow!

Kissing you was fun honey

But thanks for the date

But I must come to run, honey

But sugar, it's getting late

Just wait till I say

"My darling

Lend me your comb

We got to go home"
