Ah Lucille

Baby do your sister's will

Ah Lucille

Baby do your sister's will

Well you went up and married

But I love you still

Ah Lucille

Baby satisfy my soul

Ah Lucille

Baby satisfy my soul

Well you know I love baby

I'll never let you go

Babe I woke up this morning

Lucille was not inside

I asked her friends about her

But all their lips were tight

Lucille

Please come back where you belong

Well I'm talking to you baby

I'll never put you on

Aaaah! Wah!

Well Lucille

Baby do your sister's will

Oo Lucille

Yeah baby do your sister's will

Well you went up and married

But I love you still
