

Beatles, Money

The best things in life are free
But you can keep them for the birds and bees
Now give me money
That's what I want
You're lovin' gives me a thrill
But you're lovin' don't pay my bills
Now give me money
That's what I want
Money don't get everything it's true
What it don't get, I can't use
Now give me money
That's what I want
Money don't get everything it's true
What it don't get, I can't use
Now give me money
That's what I want
Well now give me money
money
Wow, yeah, I wanna be free
I want money
That's what I want
That's what I want
Now give me money
money
you need money
give me money
That's what I want
that's what I want
