This happened once before

When I came to your door

No reply

They said it wasn't you

But I saw you peep through your window

I saw the lie

I know that you saw me

As I looked up to see your face

I tried to telephone

They said you were not home

That's a lie (You dirty liar!)

'Cause I know where you've been

I saw you walk in your place/door (Ha ha ha ha ha!)

I nearly died

'Cause you walked hand in hand

With another man in your place

If I were you, I'd realise that I

Love you more than any other guy

And I'll forgive the lies that I

Heard before when you gave me no reply

This happened once before, oh yeah

When I came to your door

No reply

They said it wasn't you

But I saw you peep through your ways (Ha ha ha ha!)
