Lead Vocal: George Harrison

I found it out

What love is all about

And every day

It sure lets out

I see my baby

I get weak in my knees

There's nothing shaking

But the leaves on the trees

My pappie told me

There'd be times like these

There's nothing shaking

But the leaves on the trees

We meet the gang

And go to rocking Joes

The cats are something

On the heels and toes

I grab my baby

Tried to give her a squeeze

There's nothing shaking

But the leaves on the trees

Well why must she be

Such a doggone tease?

There's nothing shaking

But the leaves on the trees

She's got a way

That makes me act like a fool

Spent my money

Then she plays me cool

I begged her for kisses

On my bended knees

Oh won't you give me

Some loving, baby

Please please please

Though I keep trying hard

To make her mine

One day the wind will blow

And the sun will shine

Till that time

She puts my heart at ease

There's nothing shaking

But the leaves on the trees

She locked my heart

And threw away the keys

There's nothing shaking

But the leaves on the trees, yeah

She's got a way

That makes me act like a fool

Spent my money

Then she plays me cool

I'm begging for her kisses

On my bended knees

Oh won't you give me

Some of your loving, baby

Please please please

Though I keep trying hard

To make her mine  
One day the wind will blow  
And the sun will shine  
Till that time  
She puts my heart at ease  
There's nothing shaking  
But the leaves on the trees  
She locked my heart  
And threw away the keys  
There's nothing shaking  
But the leaves on the trees  
There's nothing shaking  
But the leaves on the trees  
There's nothing shaking  
But the leaves on the trees  
There's nothing shaking  
But the leaves on the trees
