Soldier Of Love(cason/moon)

Lay down your arms of love

And surrender to me.

Lay down your arms of love

And love me peacefully, yeah.

Use your arms for loving me,

Baby that's the way it's got to be.

There ain't no reason for you to be bad

For you're the woman and i love you so.

So forget the other boys, 'cos my love is real,

Come off your battlefield.

Lay down your arms of love,

And love me peacefully.

Lay down your arms of love

And love me tenderly, yeah.

Use your arms for hold me tight,

Baby i don't want to fight no more

The weapons you're using

Are hurting me bad,

And someday you're gonna see,

'cos my love for you baby,

Is the truest you've ever had.

A soldier of love is hard to be.

Lay down your arms of love,

And let the peacefully.

Lay down your arms of love

And surrender to me, yeah.

Use your arms for squeezing,

And please the one that you want to hold.

Soldier of love,

Baby lay down your arms,

Soldier of love,

Baby lay down your arms.
