

Beatles, That Means A Lot

A friend says that your love
Won't mean a lot
And you know that your love
Is all you've got
At times things are so fine
And at times they're not
But when she says she loves you
That means a lot

A friend says that a love
Is never true
And you know that this
Don't apply on you
A touch can mean so much
When it's all you've got
When she says she loves you
That means a lot

Love can be deep inside
Love can be suicide
Can't you see you can't hide
What you feel when it's real

A friend says that your love
Won't mean a lot
And you know that your love
Is all you've got
A touch can mean so much
When it's all you've got
But when she says she loves you
That means a lot

Can't you see, yeah
Can't you see, yeah
Can't you see, yeah
Can't you see, yeah
Can't you see, yeah
Can't you see, yeah
Can't you see, yeah
Can't you see, yeah (fade out)
