

Beatles, The, Across the universe

Beatles, The

Let It Be

Across the universe

Words are flowing out like endless rain into a paper cup

They slither wildly as they slip away across the universe

Pools of sorrow, waves of joy are drifting through my opened mind

Possessing and caressing me

Jai guru deva om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Images of broken light which dance before me like a million eyes

They call me on and on across the universe

Thoughts meander like a restless wind inside a letter box

They tumble blindly as they make their way across the universe

Jai guru deva om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Sounds of laughter, shades of earth

Are ringing through my opened views inciting and inviting me

Limitless undying love which shines around me like a million suns

It calls me on and on across the universe

Jai guru deva om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Jai guru deva...
