Dizzy miss lizzy

You make me dizzy, Miss Lizzy, the way you rock'n'roll

You make me dizzy, Miss Lizzy, when you do the stroll

Come on, Miss Lizzy, love me 'fore I grow too old

Come on give me fever, put your little hand in mine

You make me dizzy, dizzy Lizzy, oh girl you look so fine

Just you're a-rockin' and a-rollin', girl I certain wish you were mine

You make me dizzy, Miss Lizzy, when you call my name

Ooh baby, say you're driving me insane

Come on, come on, come on, baby

I wanna be your lovin' man

Run and tell your mama, I want you to be my bride

Run and tell your brother, baby don't run and hide

You make me dizzy, Miss Lizzy, girl I wanna marry you

Come on give me fever, put your little hand in mine girl

You make me dizzy, dizzy Lizzy, girl you look so fine

You're just a-rockin' and a-rollin', I certain wish you were mine
