Beatles, The  
With the Beatles  
Don't bother me

Since she's been gone I want no one to talk to me  
It's not the same but I'm to blame, it's plain to see  
So go away, leave me alone, don't bother me

I can't believe that she would leave me on my own  
It's just not right when every night I'm all alone  
I've got no time for you right now, don't bother me

I know I'll never be the same if I don't get her back again  
Because I know she'll always be the only girl for me

But 'till she's here please don't come near, just stay away  
I'll let you know when she's come home. Until that day  
Don't come around, leave me alone, don't bother me

I've got no time for you right now, don't bother me

But 'till she's here please don't come near, just stay away  
I'll let you know when she's come home. Until that day  
Don't come around, leave me alone, don't bother me  
Don't bother me, don't bother me  
Don't bother me, don't bother me
