Beatles, The

Every little thing

When I'm walking beside her people tell me I'm lucky  
Yes I know I'm a lucky guy  
I remember the first time - I was lonely without her  
Can't stop thinking about her now

Every little thing she does, she does for me, yeah  
And you know the things she does, she does for me, ooh

When I'm with her I'm happy just to know that she loves me  
Yes I know that she loves me now  
There is one thing I'm sure of - I will love her forever  
For I know love will never die

Every little thing she does, she does for me, yeah  
And you know the things she does, she does for me, ooh

Every little thing she does, she does for me, yeah  
And you know the things she does, she does for me, ooh

Every little thing, every little thing...
