(take 4)

Day after day, alone on the hill

The man with the foolish grin is sitting perfectly still

And nobody wants to know him

They can see that he's just a fool

But he never gives an answer

But the fool on the hill

Sees the sun going down

And the eyes in his head

See the world spinning around

Well on his way, head in a cloud

The man with the empty mind is talking percetly loud

But nobody seems to hear him

But they think that he's just a fool

And no one will go quite near him

But the fool on the hill

Sees the sun going down

And the eyes in his head

See the world spinning around

Oh

And nobody wants to know him

But they think that he's just a fool

For he never gives an answer

But the fool on the hill

Sees the sun going down

And the eyes in his head

See the world spinning around

But nobody wants to hear him

'Cause they see that he's just a fool

For he never gives the answer

But the fool on the hill

Sees the sun going down

And the eyes in his head

See the world spinning around

Around around around around around

Oh around around around yeah

He never listen to them

He no a fool

The fool on the hill

Sees the sun going down

And the eyes in his head

See the world spinning around

Oh, oh, oh

Around around around (fade out)
