Beatles, The, Girl

Beatles, The Rubber Soul Girl Is there anybody going to listen to my story All about the girl who came to stay She's the kind of girl you want so much it makes you sorry Still you don't regret a single day Ah girl, girl

When I think of all the times I've tried so hard to leave her She will turn to me and start to cry And she promises the earth to me and I believe her After all this time I don't know why Ah girl, girl

She's the kind of girl who puts you down when friends are there You feel a fool When you say she's looking good she acts as if it's understood She's cool ooh, ooh, ooh Girl, girl

Was she told when she was young that pain would lead to pleasure? Did she understand it when they said That a man must break his back to earn his day of leisure? Will she still believe it when he's dead? Ah girl, girl

Ah girl, girl
