Beatles, The

Revolver

Got to get it into my life

I was alone, I took a ride

I didn't know what I would find there

Another road where maybe I

Could see another kind of mind there

Ooh then I suddenly see you

Ooh did I tell you I need you

Every single day of my life

You didn't run, you didn't lie

You knew I wanted just to hold you

And had you gone, you knew in time

We'd meet again for I had told you

Ooh you were meant to be near me

Ooh and I want you to hear me

Say we'll be together every day

Got to get you into my life

What can I do, what can I be

When I'm with you I want to stay there

If I'm true I'll never leave

And if I do I know the way there

Ooh then I suddenly see you

Ooh did I tell you I need you

Every single day of my life

Got to get you into my life

I've got to get you into my life

I was alone, I took a ride

I didn't know what I would find there

Another road where maybe I

Could see another kind of mind there

And suddenly I see you

Did I tell you I need you

Every single day...
