The Greatest Gift of All

=====

John Jarvis

Dawn is slowly breaking

Our friends have all gone home

You and I are waiting

For Santa Claus to come

There's a present by the tree

Stockings on the wall

Knowing you're in love with me

Is the greatest gift of all

The fire is slowly fading

Chill is in the air

All the gifts are waiting

For children ev'rywhere

Through the window I can see

Snow begin to fall

Knowing you're in love with me

Is the greatest gift of all

Just before I go to sleep

I hear a church bell ring

Merry Christmas ev'ryone

Is the song it sings

So I say a silent prayer

For creatures great and small

Peace on earth goodwill to men

Is the greatest gift of all

Peace on earth goodwill to men

Is the greatest gift of all
