The Greatest Gift of All

John Jarvis Dawn is slowly breaking Our friends have all gone home You and I are waiting For Santa Claus to come There's a present by the tree Stockings on the wall Knowing you're in love with me Is the greatest gift of all The fire is slowly fading Chill is in the air All the gifts are waiting For children ev'rywhere Through the window I can see Snow begin to fall Knowing you're in love with me Is the greatest gift of all Just before I go to sleep I hear a church bell ring Merry Christmas ev'ryone Is the song it sings So I say a silent prayer For creatures great and small Peace on earth goodwill to men Is the greatest gift of all Peace on earth goodwill to men Is the greatest gift of all
