

# Beatles, The, It's all too much

Beatles, The  
Yellow Submarine  
It's all too much  
It's all too much  
It's all too much

When I look into your eyes  
Your love is there for me  
And the more I go inside  
The more there is to see

It's all too much for me to take  
The love that's shining all around you  
Everywhere it's what you make  
For us to take it's all too much

Floating down the stream of time  
From life to life with me  
Makes no difference where you are  
Or where you'd like to be

It's all too much for me to take  
The love that's shining all around here  
All the world is birthday cake  
So take a piece but not too much

Sail me on a silver sun  
Where I know that I'm free  
Show me that I'm everywhere  
And get me home for tea

It's all too much for me to see  
The love that's shining all around here  
The more I learn the less I know  
And what I do is all too much

It's all too much for me to take  
The love that's shining all around you  
Everywhere it's what you make  
For us to take it's all too much

It's too much, it's too much

With your long long hair and your eyes of blue  
With your long long hair and your eyes of blue  
You are too much ah! We are dead ah...

Too much, too much, too much-a...
