## Beatles, The, It's all too much

Beatles, The Yellow Submarine It's all too much It's all too much It's all too much

When I look into your eyes Your love is there for me And the more I go inside The more there is to see

It's all too much for me to take
The love that's shining all around you
Everywhere it's what you make
For us to take it's all too much

Floating down the stream of time From life to life with me Makes no difference where you are Or where you'd like to be

It's all too much for me to take
The love that's shining all around here
All the world is birthday cake
So take a piece but not too much

Sail me on a silver sun Where I know that I'm free Show me that I'm everywhere And get me home for tea

It's all too much for me to see
The love that's shining all around here
The more I learn the less I know
And what I do is all too much

It's all too much for me to take The love that's shining all around you Everywhere it's what you make For us to take it's all too much

It's too much, it's too much

With your long long hair and your eyes of blue With your long long hair and your eyes of blue You are too much ah! We are dead ah...

Too much, too much, too much-a...
