Mr. Moonlight
Mister Moonlight

You came to me one summer night
And from your beam you made my dream
And from the world you sent my girl
And from above you sent us love
And now she is mine, I think you're fine
'Cause we love you Mister Moonlight

Mister Moonlight come again please
Here I am on my knees begging if you please
And the night you don't come my way
I pray and pray more each day
'Cause we love you Mister Moonlight

And the night you don't come my way
I pray and pray more each day
'Cause we love you Mister Moonlight

Mister Moonlight come again please
Here I am on my knees begging if you please
And the night you don't come my way
I pray and pray more each day
'Cause we love you Mister Moonlight
Mister Moonlight...
