Help

Tell me what you see

If you let me take your heart I will prove to you

We will never be apart if I'm a part of you

Open up your eyes now, tell me what you see

It is no surprise now, what you see is me

Big and black the clouds may be, time will pass away

If you put your trust in me I'll make bright your day

Look into these eyes now, tell me what you see

Don't you realise now, what you see is me

Tell me what you see

Listen to me one more time, how can I get through

Can't you try to see that I'm trying to get to you

Open up your eyes now, tell me what you see

It is no surprise now, what you see is me

Tell me what you see

Listen to me one more time, how can I get through

Can't you try to see that I'm trying to get to you

Open up your eyes now, tell me what you see

It is no surprise now, what you see is me
