Help
Tell me what you see
If you let me take your heart I will prove to you
We will never be apart if I'm a part of you
Open up your eyes now, tell me what you see
It is no surprise now, what you see is me

Big and black the clouds may be, time will pass away If you put your trust in me I'll make bright your day Look into these eyes now, tell me what you see Don't you realise now, what you see is me Tell me what you see

Listen to me one more time, how can I get through Can't you try to see that I'm trying to get to you Open up your eyes now, tell me what you see It is no surprise now, what you see is me Tell me what you see

Listen to me one more time, how can I get through Can't you try to see that I'm trying to get to you Open up your eyes now, tell me what you see It is no surprise now, what you see is me Hm hm hm hm
