What you're doing
Look what you're doing
I'm feeling blue and lonely
Would it be too much to ask of you
What you're doing to me?

You got me running And there's no fun in it Why should it be so much to ask of you What you're doing to me?

I've been waiting here for you Wond'ring what you're gonna do Should you need a love that's true It's me

Please stop your lying You've got me crying, girl Why should it be so much to ask of you What you're doing to me?

I've been waiting here for you Wond'ring what you're gonna do Should you need a love that's true It's me

Please stop your lying You've got me crying, girl Why should it be so much to ask of you What you're doing to me? What you're doing to me? What you're doing to me?
