(demo)

When I see you

I just don't know what to say

I like to be with you

Every hour of the day

So if you want me

Just like I need you

You know what to do

I watched you walking by

And you looked alone

I hope that you won't mind

If I walk you back home

And if you want me

Just like I need you

You know what to do

Just call on me

When you're lonely

I'll keep my love

For you only

I'll call on you

If I'm lonely too

Understand I'll stay

With you every day

Make you love me more

In every way

So if you want me

Just like I want you

You know what to do

Just call on me

When you're lonely

I'll keep my love

For you only

I'll call on you

If I'm lonely too

Understand I'll stay

With you every day

Make you love me more

In every way

So if you want me

Just like I need you

You know what to do
