## Beatsteaks, Mietzi's Song

| You showed m | ne colours I 'd | never seen t | here was so r | nuch we used | to share you to | ok me places v |
|--------------|-----------------|--------------|---------------|--------------|-----------------|----------------|
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
|              |                 |              |               |              |                 |                |
