

# Beautiful Creatures, Time And Time Again

About to fall  
Would you catch me  
Catch me numb  
Nothing at all  
Would you tell me  
Tell me why  
Why I wouldn't tell you how to live your life  
I couldn't show you how to live a lie  
You make it hard to understand  
You make it hard to lend a hand  
Time and time again  
Seems so strange like you dont even know me  
You could have shown me  
When I touch  
Can you feel anything at all?  
Sliding down slow don't let me let me go  
NO!  
Time and time again  
Seems so strange like you dont even know me  
(time and time again)  
You could have shown me  
Time and time again seems so strange again  
(seems like i lost you)  
You should have shown me  
When you reached up  
And opened up the sky  
Like the sun shine  
You've opened up my eyes oh yeah  
Maybe tomorrow we'll fnd out our place in time  
But for now this is all thats hope  
Time and time again  
Seems so strange like you dont even know me  
Time and time again  
Seems so strange like you dont even know me (x4)
